TST...America's Leader in Truck Mounted Tanks

TRI STATE TANK

offers a variety of custom tanks for gasoline, diesel, lube oil, heating oil, antifreeze, waste oil and water. We also build propane, vacuum tank trucks, crane trucks and fire service vacuum trucks. BUILT FOR YOUR BUSINESS. Tri State Tank builds several hundred units per year with sales consisting of new tank/equipment and chassis, as well as the refurbishing of existing customer units. We stock several sizes of tanks and most makes of trucks. We can use your chassis or you can choose one of our many in stock chassis. *We keep stock units ready to go.* All of our units are custom built to meet our customer's specifications.
